ONLINE BANKING - Account Name -Toorloo Arm Primary School Council
BSB 063 832 Acc No 1002 2188 Please include details - Surname and description eg. Fees, uniform, camp etc.

Dear Parents and Carers,

Well we've made it to the end of term 4, well done everyone. To help celebrate the end of term 3 we have a couple of events this week for students to participate in and enjoy. To congratulate our remote learners and our parents on their efforts this term, tomorrow will be our **Virtual Rewards Day**. All remote learners can choose from our list of rewards day activities below and then post a picture to their teacher. **There will be No Specialist Google Meets on this day!**

- Fishing
- Bush or beach walk
- Art and craft – your choice
- Lego
- Bike ride
- Cooking
- Gardening – plant some flowers
- Watch a movie
- Build a cubby
- Board games

Crazy Hair or Hat Day

This Friday all children are encouraged to wear a crazy hat or have a crazy hair do on their Google Meets to finish the term.

Parent Feedback

We will be seeking parent feedback of remote and flexible learning via an eform on the skoolbag app. We'd love to hear how things have been for you and your child/ren. Keep an eye out for the notification, it should only take a couple of minutes max.

Term 4 Return to School

Week 1 term 4

Remote and flexible learning will continue – students to complete any of the work that has been provided during term 3 and parents/students can contact teachers if more work is required.

There will be only 2 Google Meets this week on Monday and Friday- normal classroom google meet times!

One on one interviews

We are inviting each child will have a one on one interview with their classroom teacher during the first week of term 4.

Teachers will conduct literacy and numeracy assessments that will establish the essential learnings for the remainder of term 4. This will also give teachers the opportunity to reconnect and check in with how each child is feeling about returning to school.

Parents are asked to bring their children to school for that hour, drop them off at the gate at the allocated time and then collect them at the gates one hour later.

See attached timetable and please put that important date and time on your calendar.

“Learning Together, Succeeding Together”

Week 2 term 4 -

Monday 12th All students return to school with these **safety measures** (subject to change) in place

1. If children have any symptoms, then they should remain at home. If students present at school with symptoms parents will be contacted and ask to collect students and stay home until symptoms subside or a doctors clearance has been provided.
2. Temperature checks at the start of the school day. If students have a temperature above 37.5 they will need to isolate from the remainder of their class and will be rechecked after 15 minutes. If their temperature is above 37.5 again then parents will need to come and collect them and monitor them at home.
3. Parents to remain off site unless prior permission has been granted
4. Three entry and exit points to encourage social distancing of adults. Please use the recreation reserve for drop off and collection wherever possible.
5. Students must bring their own drink bottle to school

Students are also asked to return any borrowed devices and return any work that has been completed but not uploaded to your teachers. We look forward to everyone's continued cooperation!

School finishes at 2.15pm this Friday, parents of onsite students need to remember to make arrangements for the early pick up.

Once again we thank each and every family for being the best that they could be throughout the term and we hope that you have a safe and pleasant holiday. Stay safe everyone and we look forward to seeing everyone next term.

Kindest regards
Kerry Hughes

STUDENTS OF THE WEEK

Prep – Miss Cock

Prep class and families for all their fantastic work during Remote Learning. I have loved seeing all the pictures and videos.

1/2 S- Mr Stevens

Ruby Pool - for showing great determination to do her personal best all week. Well done Ruby
Ever Howarth - for helping others and showing great care during remote learning. Great job Ever.
Reef Stoddart for measuring effectively, completing the challenge task and for working with enthusiasm during Maths (nominated by Miss Bills)

1/2 O – Mrs Olle

Sam MacDonnell for completing the tasks for the books he reads on wushka

3/4 C – Miss Cunningham

Billy Warfe and James Johnston for their consistent contributions to our Google Meets. They both turn up to every Google Meet ready to share their invaluable ideas.

3/4 M – Mrs Murray

This week my awards go to my awesome home google meet participators: Lila Moss, Jayden Jonkers, Archer Niven, Taj Greaves and Brylee Caldwell who have joined me and the at school learners for our mini lessons. Great to see you all!

4 /5 H – Miss Haldane

Everyone in 4/5 H for all round participation, enthusiasm and engagement in remote learning 2.0

5/6 M – Mrs Mackie

Nikki Carstairs is the student of the week for her wonderful application to home learning. She has a 100% attendance rate in our morning and afternoon google meet sessions. She is always on time and ready for our meetings. She actively engages during the sessions, submits all her work, and is always happy to share her work

“Learning Together, Succeeding Together”

and support others. Her enthusiasm and application to tasks is exemplary and I would like to congratulate her on a fantastic effort in learn @ home. Well done and thank you, Nikki.

5/6 D – Ms Downe

My students of the week are Makayla Grabham and Ruby Brown. Makayla constantly wows me with her mature and dedicated attitude to her learning. She is thinking deeply as she reflects on her reading and has clearly understood the emotions and difficulties main characters of her book are experiencing. Makayla always sets to work without fuss and bother, completing all tasks to her full potential. Congratulations Makayla.

Ruby is a clever poet. She wrote a few entertaining limericks, correctly using syllables to create the rhythm and metre. Ruby's confidence to share her work aloud to others has blossomed and it's wonderful to see the smile on her face as others recognise her skills. Fantastic Ruby

ART – Mr Laybourne

This week's artist of the week is Alexis Smart for her enthusiasm towards her creative learning and applying new techniques in different ways.

PE – Mrs Plant

My awards definitely go to the both TAPS Tournament of the Minds teams who have completed the very first entries to this exciting global project. Under difficult circumstances they were both able to put together two outstanding solutions to the Super Challenge "Something unusual has been found".

I have been so impressed with the collaboration online, commitment, resilience, determination, creativity and good humour to get the job done. Not just done, but done, really well. It makes me really proud that Toorloo Arm Primary School kids can step up and "find a way" when they are faced with some tough obstacles. 😊
Congratulations to both teams. The judging happens this weekend so will keep you posted!

ARTS TEAM: Marissa Warfe, Makannah Brindley, Arlington Nguyen, Rhiannon Johnston, Grace Felton, Makayla Grabham and Tobias Barrett

STEM: Amelia Draper, Charlie Moss, Allisah Edwards, Jett Schubert and Lochlan Gray.

Year 7 2021 Transition Information

Please join us via Webex video conference for an update on the Transition process for next term.

Time: 6.00pm - 6.45pm Thursday 17th September

To access the meeting:

- 1) Go to <https://eduvic.webex.com/>
- 2) Enter meeting number in the "meeting information" field : **165 422 9225**
- 3) Enter password: **LESC2021**
- 4) Ensure microphone is switched off upon entry to the meeting

For questions, concerns, or technical support, please contact Chris Darling (Transition Coordinator) on 0407 776 238
