Dear Parents and Carers,

To all the students of 2021 we say a huge congratulations on your growth in all areas of school. You have demonstrated some wonderful 21st century learning skills including flexibility, critical thinking, creativity, collaboration, communication technology literacy that you will have forever in your kit bag of learning tools.

I have thoroughly enjoyed reading your reports over the past week and compliment you all on your achievements.

Reports have been sent home today so, please keep an eye out for them in their bags and remember to celebrate all their individual achievements, they have all been amazing.

To our grade six students we say farewell and best of luck for your secondary schooling. You all have had a terrific year leading our school, helping your buddies to learn the "Toorloo Way", working hard on your learning goals and supporting your classmates so everyone can be the best that they can be.

We sincerely say thank all parents and carers for their support throughout 2021. You have been vigilant about caring for not only your own child/ren but for everyone in our school community. You have remained open and honest with your communications that has also helped to keep everyone in our school community safe. You have been supportive of the directions that the school has had to take and have done that respectfully and for that we are very grateful. We hope that you get to enjoy quality family time over the break.

Thank-you to all of our school councillors who have been committed to the governance of our school, actively engaged in the school review process and continue to have input into making this such a terrific school

To our staff who have done an incredible job of prioritising the learning focus and providing some great experiences for our kids all year. The strong culture of caring for one another, staying true to our values and giving one another feedback has kept us strong throughout the challenges of the past two years and is a credit to each and every staff member. Enjoy your well earned break.

Happy
Holidays!

Thanks once again and I wish everyone a safe and happy holiday!

Kindest regards

End of Year Celebration at the Aquadome

Our last day of the year will be held at the Aquadome on Friday 17th of December. Medical forms were handed out last week and must be returned by Wednesday 15th of December if your child is going to attend.

Children are to assemble outside the Aquadome at 9.50am with their classroom teacher and we will enter the Aquadome as a whole school. Children will need to bring enough food and drinks to sustain themselves during the 3 hours of swimming. There is no cost to families this year for this activity.

Parents will not be able to enter the Aquadome for drop off or collection. Please wait outside and we will return the children to you at **1.00pm**

Students of the week

0/1A

Hello and welcome to the final week! My award this week went to the whole class for their incredible efforts and enthusiasm towards swimming for the entire 2 weeks. **River Johnson** and **Katie Myers** also received awards, River for stepping out of her comfort zone during swimming, and Katie for also stepping out of her comfort zone for the grade 1/2 sleepover.

This week we are wrapping up the crazy year that has been! Thank you so much for your support throughout the year, we have all appreciated it, despite having to be apart for much of it. I wish every family a very safe and happy holiday.

I have attached some photos from swimming and the grade 1/2 sleepover. Students thoroughly enjoyed both of these events. All students should be extremely proud of themselves.

Tomorrow (15/12) we have our Class Party/Rewards Day, we ask that you please bring a plate of healthy food to share with the class. We will be going across to the park to have a picnic and a play to celebrate the end of the year.

Happy last week of school!

I just want to start with how proud I am of all the students and what they have achieved this year. They have been absolute superstars! Thank you for a fantastic year!

I hope all the students had a fantastic time at swimming over the last couple of weeks. The swim teachers are looking forward to seeing the grade 2's again at the start of next year!

My awards for this week went to **Ray Wang** and **Max Friend**. They received theirs for their amazing attitude to learning throughout the year. Well done boys!

It is Christmas week in 12A, and Christmas crafts have been planned throughout. I would like to thank Alicia Friend for the time she spent making and decorating holiday cookies with the students on Monday. Other important events for this week are:

Tuesday:

Transition Day – students will get to meet their teachers for 2022!

Reports will also go home individually with the students today.

Wednesday:

Class party and rewards day – students can bring in something for the class party, so I can serve it to the students individually. We will be doing a Treasure Hunt for our rewards day activity.

Thursday:

Pack up day! We are cleaning and emptying everything in the room to prepare for next year! Try to bring in a spare bag so the students can bring all their books and activities home from the year.

Pool Day! Remember to bring in your forms to be able to attend.

Wishing everyone a happy and safe holidays and looking forward to seeing you all back in 2022!

Hello 3/4 families...for the last time in 2021!

Wow! What a year it has been however, Miss Haldane and Mrs Murray have been extremely impressed with the resilience shown by students in the way they have adapted to different learning situations, changing classrooms (during remote), different teachers and new opportunities. Our awards this week went to the whole groups in recognition of this resilience.

Last week we enjoyed being creative making our Kris Kringle gifts, wrapping paper and a cards. We also did some recycling craft using pages of an old book as a background for our art. We were so impressed with the results that we wanted to share them with you:

As our final day for the year approaches, we would like to say what a pleasure it has been to teach your kids this year. We have been able to get to know the children in both grades through combined activities (games, craft, excursions and camp) which has been awesome. As a team, we would like to wish you all a very happy holidays and all the very best for 2022.

We had a fantastic Grade 6 Fun day yesterday. The kids were terrific and had a great time at the surf beach and on the lake. It was lovely to watch them all having a great time together enjoying the activities and the perfect weather.

Learning Together, Succeeding Together

Final preparations are underway for graduation night. Please remember the students arrive at 6pm for dinner with the staff. Parents arrive at 6:45pm and must be able to show their vaccination status to attend.

The class parties are on Wednesday and we ask each child to bring along a **small** plate of food to share. We will be doing the Kris Kringle on Wednesday afternoon so please make sure your child has put their gift under our tree. Thank you.

We would both like to wish our students and their families a Merry Christmas and a safe and happy New Year. Thank you for your support during the year and we wish all the grade 6 students all the very best next year.

Have a lovely holiday.
Thanks,
Ali and Barb
