Dear Parents and Guardians,

Well done to all our families and staff who transitioned to remote and flexible learning so well yesterday. It was terrific to see so many students joining their teachers at their Google Meets and utilising the digital technology.

Please remember our other means of communication regarding school closures, COVID restrictions and protocols will be communicated via our [Skoolbag App](#) and our [Parents and Friends Facebook Page](#). Please ensure you can stay upto date with the latest info by having access to at least one of these tools.

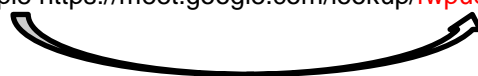

Where practical teachers will upload videos of their morning lessons so you can access them at anytime and work with your child at your own pace.

Other instructional videos are also posted to support parents with the learning tasks being offered on our Google Classroom.

All teachers have also uploaded new tasks to <https://www.studyladder.com.au/> and new reading material at your child's level via <https://wushka.com.au/>

All students should have their logins and passwords.

If you are using an ipad and being asked for a meeting code it is the last section of the link the teachers have set up for example <https://meet.google.com/lookup/fwpuq53jlo>

If you have any problems, please do not hesitate to give us a call and we will try and troubleshoot with you.

Now would also be a great time to get reading for the Premier's reading Challenge. To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premier's Reading Challenge, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

Thank-you to all families for your support of our Pirate Day last week. The children and staff all looked terrific. Well done to our JSC reps for their organisation, promotion and communication about the charity and the event. They raised \$570 through the sale of the lunches and gold coin donations. This money will be forwarded to the Children's Brain Cancer Research Fund.

Thanks for your continued support and remember to have fun whilst learning at home.
